Questions 3_196_200 refer to the following article and email.

Community Garage Sale

By Brett Redmon

The annual community garage sale in the Sunset Ridge neighborhood has been set for June 3-5.

Planning committee meetings will be every Tuesday night from 7 to 8 p.m. at Marie Anderson's house (315 Ridge Ave.) from May 1 to June 1.

All neighborhood members are welcome to join the planning committee.

Last year, our community garage sale was a huge success. Our traffic assistants counted over 500 cars entering our neighborhood over the course of the weekend. We're hoping this year's event will bring even more business. We plan on advertising via the city newspaper as well as via social media and the usual fliers and posters made by committee members and distributed around the community.

As always, no one is required to participate in the garage sale. If you wish to have your residence taken off the sale map, please contact Marie Anderson by May 21 at manderson@coldmail.com or 363-522-6363.

The community garage sale provides the perfect opportunity to clean out your sheds, closets, storage spaces, and the "junk" room we all have but never show anyone. Encourage your kids to get rid of toys they no longer want your husband to give up on the weight set he never uses, or your wife to admit she'll never start that art project she bought all those supplies for.

Subject: Thanks!

Dear Brett,

I just read the article you submitted about the community garage sale to the Sunset Ridge Newsletter. Thank you so much for doing this. You explained it very well and included all the information I would want people to have. I don't know why I didn't think of doing this myself. I guess I'm lucky to have a committee vice president like you on my side!

I've already received several emails from people who want to help organize the event. I've never even met several of them before. That's an added bonus of doing a community event like this. We get to meet more of our neighbors.

Thanks again for your help!

Marie
