## Shell Island 3-Day Tour Schedule

### **Day 1:** Meet in hotel lobby at 8:00 a.m.

The bus will pick you up from the hotel and head north along the island's west coast. You will pass white sands and emerald waters and the island's largest nature reserve. If you are lucky you might spot the spiny-nosed hog. The hog is just one example of the rare wildlife in the reserve. At noon, we will stop at Dolphin Beach for a three-course lunch and a refreshing dip in the ocean. By 7:00 p.m., we will have reached the island's oldest settlement, now known as Carlton Village, where you will spend the night at the comfortable Carlton Hotel, one of the island's finest.

### **Day 2:** Meet in hotel lobby at 7:30 a.m.

We will take the bus to the old city. We will spend this day touring the ancient building structures that date back to the 14th century when the island was first inhabited. Today, the island has 5,000 residents, nearly all of whom are descendents of the island's first settlers. The narrow cobbled paths are quite tricky, so be sure you wear comfortable shoes. The island is known for its fine ceramic craftsmanship. There are many lovely antique stores, so this is a good day to shop for souvenirs for friends and family!

### **Day 3:** Meet in hotel lobby at 8:00 a.m.

We start the day with a short walk to the port and then sail out to Fish Reef, one of the most active coral reefs in the world! Expert marine biologist, Ryan Malevich, will take you on a magical underwater journey exploring the magnificent marine life. So bring your bathing suits and get ready for some breathtaking surprises!

The bus returns to the city by 8 p.m.

## Review

### The pros:

The apartment is comfortable and modern, within walking distance of restaurants, cafes, and major sites.

### The cons:

First - The apartment wasn't 100% clean when we arrived. For example, waste baskets hadn't been emptied, and there were a few unwashed towels.

Second - There also wasn't enough bedding - just one set of sheets for every bed.

Third and finally - there was only one key, which is hard when you have a few people staying there.

-----  
But, all in all, it's a nice apt. and the location is terrific.

## Reply

Thank you for your comments. Clients like you help us to improve our service.

Regarding the cleaning, we apologize for the state of the apartment when you arrived. That is not standard. We have since hired a new cleaning staff, and the apartment is now spotless.

Regarding bedding, unlike a hotel, a vacation rental has no laundry services. (Guests can do their own laundry using the washer and dryer provided, or take it to a nearby laundromat.) However, the benefits of a vacation rental over a hotel are many, including having your own living space, kitchen, etc.

We provide one set of linens and three towels for each person, standard for vacation rentals. That said, we pay serious attention to customer feedback, and will consider including more bedding in the future.

Regarding the key, from now on, two keys will be provided to guests.

Sincerely, Craig N., Property Owner

29. In the response, the word "state" in paragraph 2, line 1, is closest in meaning to...

- Ⓐ nation
- Ⓑ condition
- Ⓒ attitude
